SUB:-REQUEST FOR COPY OF THE FEASIBILITY REPORT OF THE
SECONDARY RUNWAY FOR MANGALORE AIRPORT.

REF: EXPANSION OF THE MANGALORE AIRPORT.

Dear Sir,

Kindly refer to your letter No nil dated 25th August,97,
requesting for a copy of the feasibility study report for
construction of secondary runway and Terminal Building at
Mangalore Airport.

It is intimated that Airports Authority of India has a
proposal for the construction of new runway and a new Terminal
Building for the operation of A8-320 class of aircraft. Airports
Authority of India has placed a demand to the State Govt. for the
acquisition of land. AAI will prepare the detailed feasibility
report for the project in due course, but has not done so yet.
We thank you for your interest and incase you have any questions
in principle, please do send these to us and we will provide
information as available with us as-on-date.

Yours faithfully,

(P.B. DASWANI)
