Sir,

Ref: My representation addressed to you,
dated 16-07-97.
Sub: Expansion of Airport at Mangalore.

I had made a representation on 16-07-1997 sent to you by speed post stating the various effects on the surroundings if the subject matter is implemented, and also I had drawn your attention towards the attempts of implementation of the project without obtaining clearance from your department.

As I had not received any reply from your office till to-date, I am writing this letter to you so as to know whether the subject matter project has been cleared by your department? If yes please be kind enough to grant me the copies of the following documents.

4. CLEARANCE CERTIFICATE GRANTED TO AIRPORTS AUTHORITY.
